

Urban Waste Recycling
130 Arrow Road
Toronto, ON M9M 2M1
416-253-0400
urbanresourcegroup.ca

Urban Waste Recycling provides flexible resource management program implementation for institutional, commercial and industrial sectors. Services include the rental, leasing and financing of disposal equipment as well as the transportation of waste and recyclable materials in roll-off, front load and rear-packer trucks to recovery facilities.

Urban Waste Recycling provides customers with a unique opportunity to divert waste through our affiliation with Canada Fibers Ltd. Recyclables collected by Urban Waste Recycling are brought to Canada Fibers' state-of-the-art Material Recovery Facilities where recyclables are captured and segregated for further processing.

Urban Waste Recycling is looking for **Roll-Off Drivers** to join our growing team in Toronto.

Roll-Off Drivers safely operates a heavy-duty truck and is responsible for preparing, loading and transporting large mobile open top and compactor containers to disposal sites, transfer or recycle facilities and customer locations. The drivers must navigate driveways, alleyways, lots, high traffic roadways and may operate in tight overhead environments while on industrial routes. Highly skilled backing maneuvers are essential to successfully perform this job.

Essential Job Responsibilities:

- Operate vehicle in accordance with Urban Waste Recycling and Life Critical Rules, Occupational Health and Safety (OHS) and DOT (Department of Transportation) requirements as well as all municipal, provincial, and federal laws.
- Performs pre- and post-trip inspections of assigned equipment and documents checks on standard DVIR (Driver Vehicle Inspection Report.).
- Immediately reports any unsafe situations or service related issues to Dispatch.
- Participates in all scheduled training programs, briefings, and meetings required by Urban Waste.
- Works closely with dispatch to improve route efficiencies and identify best practices.
- Notifies dispatch of any incidents, accidents, injuries, or property damage.
- Notifies Dispatch of service interruptions, including blocked containers, closed lots, street, alleyways or potential safety hazards.
- Communicates customer requests to Dispatch.
- Identifies and reports all containers in need of repair or replacement
- Completes and submits customer tickets as required.
- Positions and / or returns container on the customer's property in a manner that ensures lids and or doors are properly replaced, and do not block driveway entrances or traffic.
- Follows route assignments as directed and completes end of day documentation and the check out process.
- Performs all duties as scheduled by Dispatch and assisting other drivers as directed to meet customer needs.

License:

- DZ License (Required)

Interested candidates, please submit your resume to: robin.sharkey@canadafibersltd.com. Please reference the job title in the subject line.
